**Public meeting on the topics of migration and asylum**

**Time: Tuesday, August 8th 2017, 6.00 PM**

**Adress: eXchange Salzwedel  
Altperverstraße 7, 29410 Salzwedel**

We kindly invite you to the flüra.lokal:

In a comfortable and informal meeting we'd like to introduce the Refugee Council in Saxony-Anhalt and present possibilities of getting involved in our work. The meeting's main purpose is the exchange of information and perspectives on current topics in migration and asylum politics as well as finding answers to everyday questions and problems in the state and the county.

We encourage each and everyone to bring their own input or questions and we'll talk about any and all ideas.

We're looking forward to seeing you in Salzwedel!

The flüra.lokal takes place monthly in changing locations around Saxony-Anhalt. Time and place will be announced in advance. We want to provide space for mutual exchange about recent matters in asylum and migration politics and society. The refugee council seeks to open up to new ideas and collaboration so as to strengthen the work of refugee friendly and anti-racist groups and collectives in the state.
