Right to stay now!

Conference on the Right of Residence for people with „Duldung“

We would like to invite you to our conference where we will talk about the perspectives of residence law for people with „Duldung“ in Saxony-Anhalt.

Half a year after the publication of the Federal Coalition Agreement 2021-25 we want to analyze the status of plans for new rules on the right to stay. What challenges do people with „Duldung“ face in everyday dealings with the authorities? What options are there in residence law, how can they be used and where is political action needed? What developments are emerging? What could this mean for the state of Saxony-Anhalt?

These topics are dealt with in workshops in the morning and reflected in lectures and a panel discussion in the afternoon.

Agenda for the day:
